DOMESTIC VIOLENCE COMPLAINANT REQUEST FORM

I have filed an intake complaint and met with a Legal Intake Counselor. My options were discussed with me and I had an opportunity to ask questions. I understand the following:

1. Before any charge is filed, my intake complaint must be reviewed and evaluated by a prosecutor.
2. If a criminal charge is approved by a prosecutor and filed, there will probably be a warrant issued. This means that the person I filed a complaint against will probably be arrested.
3. If a criminal charge is approved by a prosecutor and filed, I will be required to come back to court several times. If I am subpoenaed and fail to appear, I can be held in contempt of court.
4. Once a charge is filed, I do not have the right to have the charge dismissed. I have the right to participate in the case, but decisions regarding the outcome of the case will be made by the prosecutor and/or judge.
5. What types of protection orders may be available to me.
6. If any children were abused or neglected or were at risk for abuse or neglect, the Legal Intake Counselor is required by law to give that information to Franklin County Children Services.
7. If requested, a domestic violence advocate is available to speak with me.

I WANT TO PURSUE A CRIMINAL CHARGE

Narrative

On Friday, July 22, 2016 at approximately 2:40am, Officer Ricks #1546 and Officer Erdenberger #2688 were dispatched to 29 E. 3rd Ave. on a domestic violence incident. The caller said her boyfriend hit her and she had bruises. The caller said the suspect was still at the house.

Upon arrival, Officers Ricks and Erdenberger made contact with the caller, Tiffany Thompson, who was later identified via her OH driver's license. Ms. Thompson said on Saturday, July 16, 2016 she and the suspect, Ms. Thompson's boyfriend, Ezekiel Elliott got into an argument about their unhealthy relationship. Ms. Thompson said she and Mr. Elliott lived together for about 3 months from November 2015 until January 2016. Ms. Thompson and Mr. Elliott were at Mr. Elliott's Watermark apartment, 1860 Canvasback Lane Apt. 4 on Saturday. Ms. Thompson said they got into an argument because Mr. Elliott cheats on her all the time and when they had broken up for a bit and she slept with another guy. The argument turned physical and Mr. Elliott attempted to hit Ms. Thompson in the face. Ms. Thompson said she raised her right arm to cover her face from the strike. Ms. Thompson had a bruise on her right forearm. That was the end of the fight and argument on Saturday.

On Sunday, July 17, 2016, Ms. Thompson said a fight between her and Mr. Elliott started because they went out to different places and Ms. Thompson did not make it home before Mr. Elliott. Mr. Elliott choked her leaving a red mark and bruise on her neck.

On Monday, July 18, 2016, Ms. Thompson said she remained at the Watermark apartment with Mr. Elliott's friend while Mr. Elliott went out. Ms. Thompson said when Mr. Elliott returned to the apartment he picked Ms. Thompson up and threw her against the wall. Mr. Elliott told Ms. Thompson she was lucky that he has not killed her yet.

Ms. Thompson said on Tuesday, July 19, 2016, she and Mr. Elliott did not fight. Ms. Thompson said Mr. Elliott cried and told Ms. Thompson he loved her and did not want to have to put his hands on her but "it's tough love."

Wednesday, July 20, 2016, Ms. Thompson and Mr. Elliott went to 4th Street Patio. Ms. Thompson said everything was fine until they got home and she asked him a question. Ms. Thompson could not remember the question she asked that set Mr. Elliott off. Ms. Thompson said Mr. Elliott "lost it" and picked her up under her arms, in her armpits, and threw her against the wall. Mr. Elliott then grabbed her throat. Mr. Elliott released her neck and grabbed her left wrist and drug Ms. Thompson across the floor leaving rug burns on her right knee.

Mr. Elliott said he has never lived with Ms. Thompson. Mr. Elliott said he has never laid a hand on Ms. Elliott and the bruises on her body were from a fight she had gotten in at a club called Social. Mr. Elliott did admit that he was a co-signer on a vehicle loan for Ms. Thompson. Mr. Elliott also admitted he pays the rent for Ms. Thompson's apartment in Dublin, OH.

Due to the conflicting variations of what happened and whether or not Ms. Thompson and Mr. Elliott had ever lived together, no charges were filed against Mr. Elliott. Ms. Thompson was referred to the Prosecutor's Office to discuss filing charges against Mr. Elliott.

Ms. Thompson completed a written witness statement.

Det. Morrow #5292 responded to scene and took 15 pictures of Ms. Thompson's injuries, the scene at the time of Ms. Thompson's call and the associated photo card.

1. Tiffany was down to her bra and panties basically when she got in the pool?

2. You threw her in the pool right?

3. How long were you there with her?

1. Was after I threw her into the pool, wasn't before then.

2. Yes.

3. Roughly 1-2 hours

How soon after she got there did you throw her in.

Could she get

Could she get back out of the pool after getting thrown in, or did she sit posed down in the pool through her wet clothes out of the pool?

Got out, took her clothes off, then got back in

All the way in? Or just sat there with her feet in the pool?

All the way in

How deep was the water?

She was in 3ft, then swimming in 5ft

How long was she in the pool?

Well I'm starting to feel like she definitely knows I'm involved. I

- know I had a choice but I'm starting to feel like this is going to cause drama at work

10:30 PM

But anyways everything she said is a lie. I know what happened and didn't witness any bruises with most of her clothes off.

That's absolutely all I know about the situation. What

- happened on other days I have no idea.

As I pulled into parking lot at 29 W. 3rd Tiffany & her car were parked east ~~to~~ south side of the lot. As I pull in & park at the North West side of the lot. Dylan pulled into the lot behind me in his white Jeep Wrangler. Proceeded to park to the right of ^(west) Tiffany's car. Then Taylor was driving Ezekiel's car & parked to right (west) of Dylan's Jeep. As Dylan was backing up she walked behind his car with no regard to anything. Immediately walked up to Ezekiel's car & proceeded to try & start a fight with Taylor. As she started doing that Ezekiel opened the door & walked into the apartment. She then kept talking & trying to provoke Taylor & others. We all walked inside to try & avoid the situation.

Upon leaving Park Street Patio/Saloon we arrived at the house of Ezekiel at roughly 2:30 am to see Tiffany waiting for us uninvited. We had drove in 3 separate cars, Not counting Tiffany's car. Tiffany was parked in the far left spot, Ezekiel's car parked on the far right spot. My car backed into the middle spot. Before I could even finish parking Tiffany who was visably angry approached the car that Ezekiel was in. Tiffany then started to verbally threaten the driver as well as say to Ezekiel "I'm calling the cops to ruin your career, your career is done" At this point by standers attempted to calm her down and purposely made sure to stay between Tiffany & Ezekiel. I was inbetween the two parties of Tiffany and Ezekiel as he walked into the house to ensure that nothing happened as far as contact since she had already said she was calling the cops

At this point Ezekiel was in the house and a couple of us as his friends blocked the door to make sure that Tiffany could not enter. At this point she called the police. Tiffany had been in a fight earlier in the night that had been broken up by Park Street Subon Security with another female party that I did not know.

We waited outside for them to get here. When Zeke pulled up in the car with some girl, Tiff got out and the girls started arguing. Zeke & the girl got out the car, as Tiff made her way to stand in front of the door. They talked a little. Tiff fell back and opened the door, then Zeke pushed pass her, and everybody but me and tiff went in.

• the door that tiff stumbled on was the door to the residence.

• When we left "social" around 2:15 am, outside tiff and some girls were arguing and they started fighting. The fight lasted for about a minute. I was pulling her back from around her waist with my arm.

3. I helped organize Ezekiel's 21st birthday celebration at the Social Room and arranged for Ezekiel and his friends to stay at the Carriage House.
4. When Ezekiel's party at the Social Room was over, I made sure Ezekiel was escorted out of the back door of the Social Room and ensured that Ezekiel was driven back to the Carriage House safely by his friend Taylor Sandbothe ("Ms. Sandbothe"). I allowed Ezekiel and his friends to borrow one of my vehicles for the night.
5. After escorting Ezekiel out of the back door of the Social Room, I walked to my other vehicle and was on my way to meet Ezekiel and his friends at the Carriage House for Ezekiel's after-party gathering.

The undersigned, being first duly cautioned and sworn, says that the following facts are true to the best of his knowledge:

1. On the night of July 21, 2016, I was with Ezekiel Elliott ("Ezekiel") and our friends at the Carriage House located at 29 W. 3rd Avenue, Columbus Ohio. We were there at approximately 11:00pm to get ready for Ezekiel's 21st birthday celebration that was going to take place at the Social Room located at 527 North Park Street, Columbus Ohio.
2. While we were getting ready to leave for the Social Room, Ezekiel expressed to me that Tiffany Thompson ("Tiffany") was not invited to the birthday celebration and that he did not want her to attend.
3. When we were at the Social Room, I witnessed Tiffany come in and out of Ezekiel's VIP section.
4. After leaving the Social Room, I drove back to the Carriage House for Ezekiel's after-party gathering and upon arriving in the driveway, I saw Tiffany's vehicle in the driveway.
5. Shortly after parking my vehicle, I saw Taylor Sandbothe enter the driveway in a vehicle with Ezekiel in the passenger seat.
6. After Taylor parked the vehicle, I witnessed Tiffany run up to Taylor's driver-side window and start screaming at Taylor and Ezekiel.
7. Taylor, Ezekiel and the other passengers in the vehicle then exited the vehicle and began to walk to the Carriage House door. At no time whatsoever during the walk to the Carriage House did Ezekiel come in contact with Tiffany.
8. While Ezekiel and his friends were walking into the Carriage House, Tiffany was screaming at Ezekiel and getting into Taylor's face, who was walking in between Ezekiel and Tiffany.

9. Ezekiel eventually walked into the Carriage House and called his father, who showed up shortly after.
